

## Minutes of the meeting:

1. To request Professor J. V. Narlikar to conduct a summer/winter institute during 1975/76 for the benefit of young research workers:

Prof. J. V. Narlikar has kindly accepted the responsibility to conduct a three week institute. He would try for the funds from the U.G.C./ Atomic Energy Commission / T.I.F.R. The dates suggested were Dec. 1975/ Jan. 1976 or May/June 1976.

Some participants felt May/June 1976 might be a better since it is vacation period. The probable places where the institute will be conducted are T.I.F.R.; Bombay/ Bangalore/ Ooty. It is also suggested that if any visiting foreign relativist is available at the time of the institute his services may be utilised.

2. To find a suitable place for the Head-Quarters of the Association. It is decided that the Head-Quarters be at Ahmedabad.

3. Whether to affiliate our Association to the International Committee on G.R.G? if so how?

After some discussion it was felt that the International Committee on G.R.G. itself is at an infant stage. So, the affiliation problem may be dropped now.

4. To discuss the finances of the Association:

After hearing the financial report of the Secretary, it is decided that Rs 1,500/- (Rupees one thousand and five hundred only) be put in fixed deposit for five years.

The general body has requested the members who are in arrears for 1973, 1974 to clear their dues earliest.

5. Reciprocal membership with the Astronomical Association of India :  
The general body has authorised the Secretary to negotiate with the above Association the terms of the reciprocal membership.

6. Venue for GRG-6 :

Dr. B. K. Datta has read out a letter from the Director, S. N. Bose Institute of Physical Sciences, Calcutta inviting GRG-6 to be held here. The general body unanimously decided to hold the next seminar in Calcutta and thanked the Director, S. N. Bose Institute of Physical Sciences and other relativists from Calcutta for their kind invitation.
